Chris,

Well to be honest this year and I know

you were pretty good as much as I did.

It was good going to the Summer Park

Hotel and almost getting an old friend

by name I met 35 pound fish. You were

good were great especially when you had

decided to show up. I have been a great

friend even though we had got up and down

I know I will see you this summer

and congratulations on graduating.

Your friend,

Chris Baxton,

See you later at the

Making your way  
in the world today  
takes everything  
you have got.  
Taking a break  
from all your worries  
sure would help a lot.  
Wouldn't you like  
to get away?

Sometimes you want  
to go where everybody  
knows your name  
And they are always  
glad you came.  
You want to be where  
you can see that  
troubles are all  
the same.

You want to be  
where everybody knows  
your name.

You want to go  
where people know that

the same.

You want to go

## Senior Smiles

A smile is something  
nice to see,  
It doesn't cost  
a cent  
A smile is something  
all your own,  
It never can  
be spent  
A smile is welcome  
anywhere,  
It does away  
with frowns  
A smile is good  
for everyone  
To ease the  
ups and downs.

## Best Friends

One of the greatest joys in my life is our friendship. I don't think either of us suspected, when we first met, that we would stand where we do today, sharing the close harmony of our abiding friendship. But we grew together through the days, sharing laughter and tears, thoughts and silence -all the things that have become an unforgettable part of who we are. You have always encouraged me to share myself fully-my hopes, my dreams,

my secret pains and sadness that I have come to understand better in the light of your concerned understanding. I hope I have reflected back to you, if only in a small way, something of the same. No one knows what path tomorrow will find us walking; but together or apart, I know that I've found in you the lifetime friend that I have always wished for, and that the years passing will never change, but only strengthen, our enduring relationship.

## HOMECOMING '83-'84

A Decade Strong was the theme of the 1983-'84 Cypress homecoming. The Spirit Week activities included dress up days, dunk tank, aqua cycle races in the pool, and a homecoming assembly. At the assembly, Jeff Pruitt and Leslie Davis, last year's king and queen, named Bret Green this year's king. At the ball toss show, Kandi Evans was crowned this year's queen. Following the football team's victory over Kalena, Centerville students enjoyed themselves at the dance in the Cypress Community Center.

## HALLOWEEN 83

Spirited Centurions, both students and faculty, showed enthusiasm on Halloween by dressing up. The Student Council held a costume contest for the best costume for a student and a teacher. Mrs. Hoffman, dressed as witch, won for faculty. For student competition, a junior, James Bliss won as a Samurai Swordsman. CENTURION spirit was shown by every student and faculty member who participated to make this day special.

# Cypress High School's 1st Annual Dance Contest

This year Cypress started what hopes to be a new tradition, an Annual Dance Contest. With four contestants and a huge viewing crowd, Xavier Cancholla danced away with a first place prize of a \$50.00 gift certificate at the Warehouse. The South Coast Breakers were the winners of a second place prize of \$25.00 cash. Much thanks to Julian Ramirez for the idea and organization of the contest.

## Donkey Basketball

The Donkey Basketball game this year was successful once again with the Faculty beating the Varsity Club with a final score of 24 to 22

The successful winners of the Faculty team consisted of Coach Selbe, Van Hook Rayl, Mr. Freeman, Mr. Peters, Mr. Moulton, Mr. Green, Ms. Sandoval, and Mr. Chamberlain

The opposing team made from the Varsity Club consisted of Deena Baker, Cheryl Hoffman, Eric Krivashei, Chris Drennan, Russell Stange, Linda Stover, Janet Rudner, Linda Jolley, Mike Galloway, April Stiles, Beth Niederman, Debbie Niederman, and Colleen Kelly

Everyone who attended the game had a great time watching the players go for a win

# Powder Puff Football

This year's Powder Puff football game against Kennedy High School turned out to be more of a grudge match than a football game. Trying hard to ignore stabbing elbows and harsh words from opposing players, the lady Centurions dominated Kennedy during the game, even though the final score was 0-0. Much thanks should be given to the coaches Gary Biggerstaff, Richard Thurmond, Joe Santo, Bill Sandefur, and Jim Brown who put a lot of time and effort into making the team a good one. The team and coaches have only one thing to say "Every day, in every way, we get a little better-HEY, BEAT KENNEDY."

# Sadie Hawkins

This year's Spring Dance theme was "Sadie Hawkins Goes Hawaiian." The dance was very successful. Many students came to enjoy the music and the atmosphere. At the dance there also were many teachers joining in the fun. The dance was held at the Cypress Community Center. It started at 8:00 and ended around 11:30.

## Cypress Drama

This year was one of the most successful ever for Cypress High's Drama Department. The plays were sold out to the audience, but the students also learned to develop their theatrical skills by getting into the classics. After portraying the characters superbly in two of Oscar Wilde's most challenging English plays.

This year had been a very exciting and successful year for the Cypress Show Choir. The year began with the choir's first concert "Holiday Moods". With Christmas approaching, the choir spent many extra hours of rehearsal for their appearance in "Holiday in Music". Other events included singing for the Cypress Tree Lighting.

With 1983 behind them, the choir prepared for their Love concert in celebration of Valentine's Day.

The end of the year came quickly with Festival and their featured pop concert. The concert featured many solos and duets along with several songs performed by the entire Cypress Show Choir.

Every member of the Cypress Show Choir will agree that it was a great year and will long be remembered.

# Pep Rally

Of all our pep assemblies this year, one of our most successful rallies was before our Varsity Basketball team played Kennedy. At this assembly we had Cypress High's first Kissing Contest. The guys in the Contest thought that they would be kissing cheerleaders, but instead we substituted their mothers. Also at the assembly we had an Irish Funeral, in which Guy Briggs portrayed the dead leprechaun

I've had a fun  
year this year  
and a lot of memories.  
Do you remember when I  
first saw you and you were at  
my party with Bret and those  
Kennedy guys were with us when  
we went to Del Taco? And then you  
screamed out the window when you guys  
pulled away and my mom and dad were gonna  
die. Anyway it's been interesting knowin' you.

Congratulations to the 1983-84 Varsity Soccer team for another great year! The Centurions again finished the season with a winning record. Fine performances were turned in throughout the year by all of the players. We would like to thank coaches Skip Loomis, Bruce McCall and Fred Leininger for the time and effort they put forth. The dedication and talent of both players and coaches led the varsity team to the C.I.F. play-offs where they reached the SEMI FINALS a first in Cypress history!

Lisa, concentration at its best

The 1983 season was a challenging year for the Van Ions but they managed to stay off the bottom of the Millikan League. The team's top players were Suzie Spirit, Stephanie Kay, and new players Lisa deTense and Mara. The Van Ions captured fifth in the Empire League. The team participated in the Millikan and Leuzinger Tournaments, and attended the U.S.A.-Cuba match.

Team awards went to Suzie-Spirit, Stephanie-most improved, Lisa-deTense, and Mara-offense and MVP Mara was also selected to the All Empire League Team.

This year's J V. Volleyball team placed third in league. They were slow starting because of difficulty in learning a new system, but by the end of the season, they were one of the best in team play. # Varsity Girls' Cross Country

Cross country had a very successful season this year. With all the girls' hard work and effort, they finished fourth in the league. Leading each meet was Judy Elliott who was voted Most Valuable Player. Most Improved this season was Lilah Majdali and Most Inspirational was Frances Marquez. Tracey Brock was given the Top Rookie award. All in all, each team member did a great job of representing the cross country team.

The Junior Varsity Softball Team consisted of a group of girls with the ability to play good ball. They worked very well together offensively as well as defensively. Hard work and team unity was stressed in practice and in every game they played. But without the direction of Mr. Moulton and Mary Ender the team would have never made it off the ground.

This was an exciting year for the girls' varsity swim team. Coach Gary Drent said that this was one of the youngest teams Cypress has ever had, with only a few seniors being on the team, but that it was also one of the best. The highlights of this past year have included: a trip to Canada, summer camp with the band and drill team, and a television appearance. A special thanks to our advisor Lisa Brooks-"We love ya Lis. ## Celestine Drill Team

The Cypress Celestine Drill Team finished its '83-'84 marching season with all first and second place trophies. The squad consisted of 3 seniors, 4 juniors, 16 sophomores, and 2 freshman. None of these girls had ever been on a team quite like this before. All of the girls put in a lot of hours of long, hard practice to accomplish what they have all year. They performed at football half times, assemblies, competitions, and parades. Their advisor and coach is Miss Lori Smith.

Who's behind those Foster Grants?

Hi Mom

Drill Team, not always together

## My Year in Drill Team

There were some girls that had a dream  
To form a group of pride  
Some more tried out to build the hope  
From there they tried and tried

They had a coach to start them off  
It seemed so true to say  
But much to their surprise they found  
He took a hike one day

On to camp they went without him  
Alone but heads held high  
They danced as one and showed the rest  
Their spirit would not die

Then came Lori, some one who cared  
She taught them all the moves  
Restoring hope they thought had left  
They all refused to lose

We've come to know togetherness  
Against all odds we've grown  
I'm proud to be a part of this  
Our drill team is now known

Mr. Hall, Backbone to the Sailing Club

The Sailing Club members at Cypress High have enjoyed five day outings this year. We used a Coronado 25 sailboat from Newport Harbor, a Newport 30 sailboat from Long Beach, and several Lido 14's from the Sea Scout Base in Newport Beach. As a result, our members have had the opportunity to sail large and small boats.

In March we had a successful candy sale to raise money for our Catalina trip. Plans called for us to sail to the Isthmus and spend a leisurely weekend combining the hills of Catalina Island sometime in May.

# "S" Club

New at Cypress this year, the Soroptimist Club began serving the community. The club consists of thirty involved members. They sponsor a home for battered women, a West Orange County Hotline and a kidney dialysis association. At Christmas time they sent stockings with small gifts to the women and children at the home. Other projects were helping at the Special Olympics and at other organizations. The club went to a camp in San Diego during the month of March. The girls enjoyed serving the school and community throughout the year. They want to thank Mrs. Simpson, Mrs. McCall, and Mrs. Jones for their time and effort to make this club such a success!

CSF started the year off well with about a couple hundred members. After selling such items as pencils and moustache CSF had enough money to pick up the tab for the Academic Honors Gold Seal Bearers Banquet. But that didn't keep CSF members from having some fun now and then at pizza parties, bonfires, at the beach and volleyball tournaments. This year under the terrific leadership of President Jim Wenk and Cabinet, CSF had a new motto-to serve the community. Hoping to have accomplished all that and more, underclassmen look forward to next year in hopes of having it be just as successful as this one.

Are humans really allowed this much fun?

The Chemistry Club has had a very busy year. We started the year with a successful balloon sale in which we raised money for the club. Other activities included a car rally, the Chem Club Christmas party, and a picnic/volleyball game against the Physics Club. We also sponsored a tutoring program which benefitted many students. Thanks for a wonderful year.

# Physics Club

This year Cypress High initiated its first physics club. The goal of the club was to spark interest in this science for those students not enrolled in the class and to expand on the applications of physics. Members raised enough funds to support such activities as a trip to Griffith park observatory and Magic Mountain's physics day. The club did well for its first year and hopes to increase membership in the future.

This year marks the second year that Cypress has had a computer club. The main activity of this year was the sponsoring of a computer programming contest. The contest ran through second semester and was open to all students. Another activity has been our interclub competition. We determined which club member were the best programmers. Those people became the Cypress High computer team and competed in county competition. The club would like to take this opportunity to thank the math department for supporting our activities and contributing to their success.

# French Club

## FRENCH CLUB

The French Club has had a very busy year. Our major project was organizing Foreign Language Week, which was a lot of hard work. We had fundraisers so that we could go to a French restaurant, and many students went to both the fall and spring Language Camps. In all, it was a very exciting year!

## SPEECH TEAM

The speech team began the year with one of the biggest turnouts at Cypress High. We started the year with one varsity speaker and ended with all members competing in varsity events. In one competition Cypress High's speech team placed first in the Orange County events beating over 30 other schools. Not only did we compete in Orange County speech league tournaments but also competitions sponsored by community clubs (Lions club, Optimist club, etc.). At the end of the year the team competed against the best in Orange County and several members came out on top and advanced to state championships. The speech team is looking forward to next year to carry on their winning standard.

### ACADEMIC DECATHLON TEAM

In November of 1983 Tina Green, Richard Takagi, Sheila Farris, and Rosalynn Jones participated in the Orange County Academic Decathlon at Los Alamitos High School. The decathlon consisted of five tests, two speeches, and an interview. Each participant was put in levels according to their GPA for their competition. The Academic Decathlon team would like to thank their advisors, Judy Grady and Tom Halleen, for their time and support.

Awards: Tina Green, third place, Interview category; regular team, Richard Takagi, third place, Grammar and Literature category; alternate team.

### CULTURAL ARTS CLUB

We also tried getting into the club. We really achieved all of these goals. Watching such movie greats as *My Brilliant Career* and *Four in the Winter* while munching on goodies of course. Food gave us the idea for an ethnic picnic where they got a taste of other cultures' treats. We also acquired an appreciation for art by taking trips to museums and learned more about the history of many cultures. Not only did we get into history but also into the arts. We saw a musical production in Los Angeles. Cultural Arts was a great year and its members learned a little bit more about themselves and others.

## YEARBOOK

Perhaps, the hardest part of yearbook staffing for many of our inmates came when it was time to get back into the normal stream of everyday Centurion living. Finding it hard to readjust, many staffers felt awkward eating lunch outside of room 325, without so much as a proof sheet to look at. The mere mention of emotional topics in the casual conversation, such as deadlines or ten point, caused many a lip to quiver. Unfortunately, the shock proved too great as some staffers, unable to cope with the hostile environment, fell by the way side when they no longer had their birthday celebrated by loud mouth yearbookies. Seldom the day went by when they didn't have at least a mildly humorous joke or a refreshing tidbit from the staff. These pages were harvested with a bit of not always out of love perhaps obligation.

## C C Rider

The C C Rider's Staff '83-84 produced a great series of papers to keep the Cypress campus informed. Keeping the school's activities recorded was only part of a staff member's job. Digging up scoops outside the campus, like researching anorexia, covering political happenings, and rating new records, was also in their busy schedules as staff members attempted to keep the student body informed of the world around them. Mr. Terry Campbell was their advisor, and he helped the students with their grammar mechanics, and the use of journalistic style to keep their stories well written. Misplacing supplies, finding enough typewriters, writing late stories, figuring out layouts, interviewing the impossibles, and being late to class were only a few of the problems they faced, but overcame, and each paper was well worth the reading.

## CYPRESS SECRETARIES

The secretaries of Cypress High School worked hard every day this past year. They kept everything going. They were busy typing the bulletin, giving assistance to parents and the general public; keeping records of attendance and grades for all the students, and typing letters and reports as requested by the administrators. Without these secretaries, Cypress High School could not be what it is today.

The Infamous Downing  
Of  
Korean Air Lines Flight  
007

In the early morning darkness of September 1, a Korean Air Lines 747 was hit by a Soviet air-to-air missile. Twelve minutes later the big jet plunged into the Sea of Japan, killing all 269 passengers and crew (78 are pictured on these pages). Six days after the crash, 100,000 people assembled to mourn in a Seoul stadium, including the woman above. U.S., Japanese and Russian navies searched nine weeks for the flight recorder that might have explained why the plane strayed into Soviet airspace; the sea yielded only shoes, clothing, toys and other personal evidence of the tragedy. The stark gallery of some of these artifacts on the following pages is presented to help convey the horror of this act of violence against helpless people.

THE BEATLES  
**20<sup>th</sup>**  
ANNIVERSARY  
IN AMERICA!

# The Year That Was

Jessica Savitch one of NBC's leading female newscasters was tragically killed in a car accident. Paul "Bear" Bryant, one of the most victorious college football coaches ever, died this year of natural causes. Ira Gershwin who wrote some of his generation's most ear-catching lyrics died this year. Buster Crabbe who in 1932 won an Olympic gold medal and then went on to be the infamous Flash Gordon, also died. The death of drummer Beach Boy Dennis Wilson brought much hardship to the California band known as The Beach Boys. Arthur Godfrey a man who in 1950 was very well known for the T.V. shows he created died this year at the age of 75. Karen Carpenter died this year from anorexia-nervosa and ended the brother-sister team known as the Carpenters. Also 218 American Marines were killed in Beirut.

1983-1984

Debra Winger again turned out an outstanding performance as Emma in the movie "Terms of Endearment." An eye-opening, informative movie aired on NBC. The title was "Something about Amelia," and the subject was incest. Joanna Carson attempts a divorce settlement to make Hollywood history. Joan Collins was named woman of the year but tarnished her image by doing a Playboy centerfold. Michael Jackson had a "thrilling" year by sweeping the American Music Awards and The Grammys. Boy George and his group Culture Club were named new artists of the year. Joan Rivers, will she be the new "Johnny Carson"? Another box office smash starring Cher and Merrill Streep was "Silkwood."

The Three Princesses of the Year are shown. From left to right: Michelle Murray, Holly Henderson, and Lisa Newman. They were crowned at the homecoming dance.

As the year progresses, the students are busy with their projects. In the foreground, a soccer ball is seen. The students are working on their projects.

Mr. Christopher James Boscon,  
Sounds so formal huh?

Well Chris, I just wanted to say that you've made this year extremely interesting for me. Without your presence in Chemisting it would have been very boring. Even though you're sometimes apart (or we won't say where) you're

in actuality a very nice person. You also have a pretty nice (when you want) personality. Seriously, I hope you have a terrific summer & a great time in college. Enjoy U.C.L.A. (I really like that saying.) Good luck in life.

Love  
Julie Z (Julie) Z

CHRIS,

Well it's about time we say "we're out of here!" I have known you for decades but just recently really got to know you. Even though, you can be an ass sometimes I really do like you a lot. I have enjoyed a bunch of memorable moments this year like the frat party, parties at John's and even parties at your house. I'm kind of sad to see all of this come to a close but I figure we have at least this summer which will be rad. You have been a great friend and I hope to do alot (Campbell hate) of things together. So stay the weird person you are. And the very best of luck in the future.  
Love ya' babe.

Your dude,

P.S. We will be testing out the bar!

Chris,  
You've gotten to be more and more  
of a joker as time goes on. Remember  
the good old day (Championship Soccer Team)  
when you were a quiet kid afraid of

Chris,

Well we've been through everything  
from 5<sup>th</sup> grade on together. Mr. Williams  
and Mrs. Gonzalez and 6<sup>th</sup> grade camp  
was something neither of us will forget.  
I think we caused those two people as  
much trouble as possible. It was  
great watching Mr. W. fall into the river  
(behind first) and Mrs. Gonzalez putting  
a pie in his face. The Junior Olympics  
and the Archaeological Dig, Operation  
Eggdrop everything was great! It's also  
been nice knowing you this year and  
throughout high school. I guess Mr. Kush  
and you are close now, huh? Good luck  
in everything you pursue in life Chris. The  
best of luck to you now and always.  
Best wishes!
